

WAVE ABSORBING DOCK LINES

Technical Specs:

- 16 inch unstretched line stretches to 48 inches (4ft)
- Large 12-inch long end loops allow to easily connect, disconnect from boat and dock cleats.
- Each end has flotation foam just in case you accidentally drop it in the water!
- 7 colors – Yellow, Red, Lime Green, Blue, Purple, Grey, and Black
- Sleeve material made of polypropylene – the same material most life jackets are made out of.
- Elastic material is the same material spearguns are made out of.

Note: Do NOT use the Dock Shock in bad weather. The Dock Shock is designed as a temporary mooring line that should not be used long term or in bad weather.

Part Number	Color	Part Number	Color
MDS16BK	BLACK	MDS16GY	GREY
MDS16LG	LIME GREEN	MDS16YW	YELLOW
MDS16BRD	RED	MDS16PP	PURPLE
MDS16BL	BLUE		

Stand out as you pull into the dock with high-performance, high-quality, easy-to-attach, temporary docking lines that match the rest of your gear! **7 colors** to match the shade of your boat, mood, and personality.

Highlights:

- Help pull your boat to the dock for easier loading and unloading
- Allow forgiveness when tides go up and down
- Absorb incoming wakes and waves so boat cleats don't get pummeled
- Can use clip at end to attach to buoys or other things
